#	RESPONSES	DATE
1	I don't see a benefit	9/27/2022 11:49 PM
2	Any potential benefits are far outweighed by the liabilities of annexing Avimor.	9/27/2022 11:38 PM
3	Don't really see one.	9/27/2022 10:51 PM
4	None	9/27/2022 10:46 PM
5	No benefit whatsoever	9/27/2022 10:09 PM
6	None that I can see. As an Eagle resident, my children are already zoned to attend Star middle School. Annexing them to Eagle would likely be the thing that could possibly prevent my kids from even attending Eagle High. This is only one of my concerns of the many other problems it could cause.	9/27/2022 9:19 PM
7	None	9/27/2022 9:13 PM
8	None what so ever	9/27/2022 7:34 PM
9	There is NO benefit except to the City of Eagle's politicians.	9/27/2022 7:16 PM
10	Nothing!	9/27/2022 7:15 PM
11	Annexing Avimor will give the city of Eagle more control about what happens in the surrounding areas.	9/27/2022 6:54 PM
12	Access to Avimor amenities	9/27/2022 6:54 PM
13	Nothing	9/27/2022 6:43 PM
14	Nothing	9/27/2022 5:58 PM
15	What is it Avimor gains by being annexed into Eagle? That is a more pertinent question, besides the mayor being financially supported by them.	9/27/2022 5:48 PM
16	None	9/27/2022 5:26 PM
17	There is none.	9/27/2022 5:26 PM
18	Not subject to Avimor financial short falls and under funding for inter-structure needs.	9/27/2022 5:14 PM
19	Can't think of any.	9/27/2022 5:08 PM
20	Nothing at all. It will cost us all dearly and they're only doing it for the market value increases	9/27/2022 4:42 PM
21	No benefit at all	9/27/2022 4:28 PM
22	None	9/27/2022 4:26 PM
23	None	9/27/2022 3:47 PM
24	None	9/27/2022 3:35 PM
25	I cannot think of any.	9/27/2022 3:33 PM
26	None, Eagle still doesn't have a public park west of Eagle Road. The council has already allowed such a huge population surge to the west without open spaces and parks planned.	9/27/2022 3:31 PM
27	I see no benefit to the residents of eagle	9/27/2022 3:07 PM
28	None	9/27/2022 3:02 PM

30	Keep our small town small!!! the beauty and magic of eagle idaho is its precious foothills !! We already can't handle the new builds and families !!!! This would be so detrimental to our town	9/27/2022 2:45 PM
31	None	9/27/2022 2:14 PM

35	The city gets a say in how it is developed	9/27/2022 1:24 PM
36	There is no benefit except to Avimor developers.	9/27/2022 1:02 PM

41	No benefits AT ALL.	9/27/2022 11:34 AM
42	No benefit basically a bad deal for Eagle homeowners. Strain on resources too much traffic overcrowding etc etc. Developers are only here to make the almighty dollars no care for our way of life. So sad	9/27/2022 11:34 AM
43	Literally zero. I can totally see how it benefits Avimor though! Completely absurd.	9/27/2022 11:33 AM
44	Tax dollars - follow the money! Avimor should not be buying favor in the Eagle mayors office or city council	9/27/2022 11:27 AM

50	None	9/27/2022 10:48 AM
51	Eagle would have input over future development	9/27/2022 10:45 AM

53	Nothing.	9/27/2022 10:35 AM
54	None	9/27/2022 10:29 AM
55	A greater geographic footprint of Eagle would allow for additional development and property tax revenue for the city of Eagle. In addition, the city of Eagle could have a greater say in the composition and organization of future developments in the foothills between the current Eagle city boundaries and the extended boundaries that include Avimore.	9/27/2022 10:28 AM
56	No benefits, only more strain on finite resources	9/27/2022 10:23 AM
57	There are no benefits fir those who paid Eagle prices. The tax burden as well as the burden on our emergency services. We need to look closer as a community at our local government's involvement in this matter.	9/27/2022 10:21 AM
58	None that I can really see	9/27/2022 10:19 AM

69	None	9/27/2022 9:32 AM
70	Increased overall revenue for Eagle. Most of the Avimor residents will pay much more in taxes than they will consume in services, resulting in the potential for a net surplus.	9/27/2022 9:21 AM
71	Additional real estate tax revenue	9/27/2022 9:20 AM
72	There is NO benefit to Eagle and its citizens relative to the annexation of Avimor.	9/27/2022 9:19 AM

79	I can not think of a single benefit.	9/27/2022 8:33 AM
80	Tax revenue	9/27/2022 8:31 AM
81	NONE! Avimor should NOT become known as "Eagle." They should bear the costs of their development or annex to Garden City or Boise — due to their proximity.	9/27/2022 8:30 AM
82	No benefit	9/27/2022 8:26 AM
83	No benefit, just more burdens	9/27/2022 8:24 AM
84	None	9/27/2022 8:19 AM
85	Can't think of any benefits to existing Eagle citizens	9/27/2022 8:18 AM
86	Only that Eagle MIGHT have more control over the type of development allowed.	9/27/2022 8:04 AM
87	None	9/27/2022 7:55 AM

104	no benefits for Eagle just benefits for Avimor	9/27/2022 6:00 AM
105	Quit building in Eagle! We loved our small town before all these apartments, homes, and traffic! You've taken away all that Eagle charm!	9/27/2022 5:45 AM

113	I see no benefit	9/26/2022 11:36 PM
114	There is no benefit	9/26/2022 11:12 PM
115	I believe there is none. The impacts involving Avinmor environmentally and economically is likely going to be negative in the long run in not just the town but the entire region. Personally I think these large sprawl developments in general have to be either slowed down or stopped altogether. Growth is important but sprawling out all over the place is not the best for Eagle or Idaho	9/26/2022 10:53 PM
116	Nothing but complications of our resources.	9/26/2022 10:49 PM
117	Stabilizing the community and Idaho growth. The roads, hospitals and schools can't keep up with any of the growth. Building needs to slow down!	9/26/2022 10:43 PM
118	None. Don't do it!	9/26/2022 10:39 PM
119	more tax revenue	9/26/2022 10:34 PM
120	I honestly can't say that I see one. I have been a eagle resident for the last 8+ years and moved here for the small community/local feel. I would've moved to Meridian if I wanted that type of feel. I understand there are people that want to live in in Idaho and as a community because we can get a lot for a home here everyone wants to be a part of the Eagle Community. I think if you take a good hard look at the communities that hold their value and people treasure living there for many, many years it's the smaller town that don't allow those builders to over take their community and for big businesses to come in and set up shop. Please keep Eagle Idaho small. It's what most residents want and why they left where they came from.	9/26/2022 10:20 PM
121	Nothing!	9/26/2022 10:13 PM
122	None	9/26/2022 10:11 PM

124	None	9/26/2022 10:08 PM
125	I would like to be incorporated so I have a greater say by voting for local officials.	9/26/2022 10:02 PM
126	I see no additional benefit!	9/26/2022 9:59 PM
127	There is no benefit.	9/26/2022 9:58 PM

129	No benefits to annexing avimor!	9/26/2022 9:50 PM
130	There is none.	9/26/2022 9:49 PM

132	None	9/26/2022 9:41 PM

134	Keep the small town, budgets and resources allocated for our city.	9/26/2022 9:35 PM

138	None	9/26/2022 8:52 PM
139	None	9/26/2022 8:38 PM
140	There isn't a benefit. It will burden the Eagle citizens with the providing city services. I didn't buy in Avimor and don't want to pay for their services.	9/26/2022 8:27 PM
141	Additional funds	9/26/2022 8:14 PM
142	I don't see a benefit.	9/26/2022 8:04 PM

147	None	9/26/2022 7:07 PM
148	None	9/26/2022 7:02 PM

152	Initially tax money	9/26/2022 6:45 PM
153	None	9/26/2022 6:44 PM
154	The only benefit to Avimor residents is that they can vote in the Eagle mayoral election and they'll receive Eagle resident rates for park rentals. 😊	9/26/2022 6:44 PM
155	None	9/26/2022 6:41 PM
156	None. It is far too costly to support annexation on the small resources of Eagle.	9/26/2022 6:32 PM

167	None	9/26/2022 5:56 PM
168	None	9/26/2022 5:54 PM
169	None the long term problems will still be there. Eagle citizens should not have to bear the responsibility of the miss judgment on developing an areas that shouldn't be developed. Growth can be in other places it doesn't belong in the foothills!!!!!!!	9/26/2022 5:52 PM

197	There is absolutely no benefit to Eagle, only harm.	9/26/2022 1:22 PM
198	I do not see any benefit for the current residents of Eagle. The only possible benefit would be from the annexation requiring the developer to include a tract of dedicated open space donated to the city of Eagle equal to at least twice the size of the Avimor developed area.	9/26/2022 11:47 AM

atmosphere adjacent to a bigger city vibe of Boise. I feel annexation, considerable influx of homes, people is and will only continue to diminish the virtues of our unique city.

236	None. I am concerned about the water supply, growth and how our roads won't be able to handle the traffic. ITD and ACHD won't be able to support the infrastructure. Spring Valley is going to already bring a nightmare to our community. So disappointed in our City Council and Mayor	9/23/2022 4:03 PM
237	Not sure it really benefits Eagle except maybe to increase land size? That alone isn't worth it.	9/23/2022 3:40 PM
238	NONE!	9/23/2022 3:08 PM
239	Not sure what the benefits would be, but I am pretty sure it will increase the cost to the citizens of Eagle.	9/23/2022 2:22 PM
240	I see no benefit.	9/23/2022 2:11 PM

318	I don't see any benefit. It's too far away. If it doesn't want to be part of Ada County, it needs to be its own city. What about Dry Creek Ranch? That's even closer to Eagle than Avimor. If we take Avimor is DCR next? What about Hidden Springs? Isn't it still under Ada County? Avimor & DCR should set themselves up the way Hidden Springs has done. 574	None	9/17/2022 2:50 AM
575	I don't see any benefit. The development seems irresponsible, especially given its lack of infrastructure and the pressure it will put on existing Eagle services (doubling the town's size). I hope we can protect Eagle's resources from an unneeded burden and financial hardship for existing citizens. Plus, there's a huge risk for wildfire out there.	9/16/2022 11:58 PM

604	I don't really see any benefits. Any benefits would probably be a wash when you consider the impact on the city of Eagle.	9/15/2022 8:15 AM

Eagle/Avimor - Survey

608	I see no benefit, either short or long term. Annexing would only mean a share in the costs to maintain Avimor born by the citizens of Eagle with no benefit whatsoever. Let Avimor become its own independent community with the pros and cons that come with it.	9/15/2022 4:31 AM

622	From what has been told to us, I feel there is more of a burden on us then any benefits.	9/14/2022 7:07 AM

642	There is no short term benefit that is worth the long term problems this will create. I've heard some say if Avimor is not annexed the trail system will be closed to the public. That's fine. There is no shortage of alternative options for recreation here.	9/13/2022 2:03 PM

Eagle/Avimor - Survey

643	Nothing	9/13/2022 1:49 PM
644	Eagle is appreciated bc it is a strong community and the smaller size and distance keeps it strong	9/13/2022 1:40 PM
645	Lower taxes, less road congestion.	9/13/2022 1:09 PM
646	There is not a benefit to Eagle. This is a prime example of suburban sprawl. Avimor would suck up our services. It makes not an iota of common sense. Grifters at work. Dry Creek would be next along with everyone and their homes in between. We will leave Eagle if this grift happens.	9/13/2022 12:40 PM

658	None. Would only benefit Avimor.	9/12/2022 10:27 PM
659	I don't see any benefit in having Avimor be a part of Eagle. I've got nothing against Avimor. I have friends that live there. I just think with the size of the development the anticipated population they should incorporate as their own city and provide their own services (Fire and Police) or have a contract and pay for those services from Eagle, ADA County, in a manner similar with what cities do in LA County in contracting for Sheriff and Fire Services.	9/12/2022 8:59 PM
660	Literally none.	9/12/2022 8:58 PM
661	Nothing. Do not want Avimor to be annexed into the city of Eagle.	9/12/2022 7:15 PM

666	Nothing	9/12/2022 5:27 PM

668	I see no benefit for the city of Eagle	9/12/2022 2:00 PM

671	Additional revenue possibly	9/12/2022 11:09 AM
672	According to the community meeting that Avimor held, the benefit to Eagle would be the oversight of the development that Eagle would gain. Is that enough to outweigh the disadvantages? No	9/12/2022 8:50 AM
673	No benefit whatsoever.	9/12/2022 8:34 AM

741	We can share the cost of city government, which takes pressure off of the need for residential building permits to fund the city. It would also set Eagle on a trajectory of committing more land to permanently preserved open space.	9/9/2022 9:54 PM
742	None. Avimore will be a drain on Eagle public resource funds. Disputes will break out regarding which geographic region of the new Eagle gets use of available funds. Avimore was developed as a stand alone community with their own services such as wastewater collection, treatment, and disposal. Eagle residents should not inherit cost overruns due to design, operation, or maintenance deficiencies as Avimore grows and equipment ages.	9/9/2022 5:26 PM

760	No benefits. This community was approved by Ada county - not by Eagle. Why now is Avimor able to change this and push their way in to Eagle, even though no one wants them in the city. The developer is only looking to reduce their costs and increase profit by pushing their responsibilities on to the long time residents of Eagle.	9/9/2022 9:31 AM

the County(ies) would- Like stopping the massive development plans to the west of Hwy 55. Unfortunately, I don't think the Eagle City Council can be trusted to make this decision on their own. A few weeks ago I was riding my bike on Willow Creek drive when I saw the "Welcome to Avimor" sign. Oh great!! Are all the new western Avimor homeowners going to be driving down Willow Creek to Eagle Road and make Eagle Rd through downtown Eagle more of a mess? I feel that current Eagle homeowners need to vote on this by referendum and not leave it to the City Council.

869	Eagle does not need to be reaching miles and miles away to add other subdivisions. Avimor started as a distant community and subdivision and should either stay part in f the county or incorporate as their own town. There is no benefit to Eagle to be in a land grab other than the politicians want to get more taxes and grow. Avimor and the people that bought out there knew what they were doing. Let the developer shoulder the costs of their own city infrastructure	9/8/2022 5:31 AM

970	the only benifit is for Avimor ,there is nothing good in it for the citizens and city of Eagle	9/5/2022 7:29 PM
971	None. To date, I have seen the advantages to Avimor of annexing to Eagle. I haven't seen advantages to Eagle (up front monies are not an advantage given the tremendous burden on Eagle's infrastructure that would come with it). The size of Avimor is going to be nearly the size that Eagle currently is. Avimor already includes part of 3 counties. I fail to understand why annexing into Eagle is even a thing. Except for possible short term monetary advantages for developers and those who are in their pockets, it creates loads of problems and headaches that Eagle will be saddled with forever - water usage and resource problems, emergency resource limitations, traffic issues, money problems now and down the road. Avimor should be their OWN development, responsible for managing ALL of these concerns for themselves. They should not piggy back onto the city of Eagle, which should remain its own independent entity - it has plenty of its own issues w/o taking on the huge headaches that come with this annexation.	9/5/2022 7:10 PM
972	Nothing I can think of.	9/5/2022 6:36 PM
973	I can not think of even one benefit.	9/5/2022 6:20 PM

984	While I understand Mayor Pierce's enthusiasm that in time Avimor adds to Eagle's tax base, this is not the only consideration. This said, adding to the tax base is a benefit if one only considers money and turns a blind eye to a future vision of Eagle as a closely knit community that provides a high quality of life.	9/5/2022 1:28 PM

1001	None that I can think of. I disagree with Mayor Pierce's argument that we are better off controlling development next to us, that is nonsense. Avimor's Annexation Talking points are weak. They argue that working with three counties will require piecemeal development - that is up to them, they can coordinate with all three and still have a nice development. But in the end, why do we who live in Eagle really care about most of those details? The reality is that it will cost them more time and money and ultimately limit how many homes they can develop. It is all about the money, too much of which already flows to the Mayor. He should recuse himself from this issue since he has a conflict of interest.	9/4/2022 10:48 PM

Eagle/Avimor - Survey

1028	I can't think of any benefit, under current conditions. The only possible benefit would be if being under Eagle control that the city could limit development and require that Avimor paid for all it's own services. I don't see that happening under the current mayor of Eagle.	9/4/2022 1:45 PM
1029	None	9/4/2022 1:31 PM
1030	The only benefit I can see is that it would benefit Avimor residents somehow.	9/4/2022 1:04 PM
1031	Perhaps greater control over development but with present attitudes of city council that is problematic and very concerned about terms and long term effect of development agreement..	9/4/2022 12:59 PM
1032	There is none.	9/4/2022 12:07 PM
1033	I see no benefit. Eagle has it's hands full with current and future development and planning nearer to the city. Transportation problems and water access and quality are top issues for me. I am also a hiker and cyclist, enjoying and caring for the Eagle foothills with family and friends for over thirty years. I fear further development of Avimor will detract and disturb the abundant flora and fauna. It is understandable why people would want to live in Spring Valley and the Eagle foothills to enjoy these qualities. But preservation of natural spaces and sustainable resources demands careful planning. Adding 9000 homes and doubling the population of Eagle doesn't support a long vision of sustainability.	9/4/2022 12:01 PM

1060	I see no benefit to residents; only more money for investors/developers. The residents will end us subsidizing growth via higher taxes and an increased undue burden on tax-and-fee supported services, especially public safety, as well as further drain on the water supply. Growth does not pay for itself regardless of what anyone tries to claim. Only if the impact fees were substantially higher, and included schools, would growth "maybe" pay for itself. As it stands now, that is not the case.	9/4/2022 8:46 AM

1172	As a 30-year resident of Eagle I find there will be no benefit and it will create a future large tax burden for all Eagle Residents. I also believe our water resources are already stretched thin and our water quality has already been compromised so stretching it further to include Avimor would never be in Eagle's best interest. Even if the city would get an influx of cash as homes are built and the developer pays impact fees and other costs, the overall property tax revenue from the properties is not high enough to maintain the services required.	9/2/2022 6:15 PM

1176	We can't think of any benefit. It will increase traffic, be a huge draw on our resources, and provide no long term benefit. Developers have chosen to prey on Eagle for it's proximity to Avimor, but Eagle is a small city with limited space, resources and funds. Avimor should incorporate themselves. Eagle residents don't want to bear the burden of addition residents that will double our population, monopolize and potentially drain resources - and exponentially increasing the number of homes out there will have impacts on infrastructure, wildlife and resources. This is a poorly thought out plan and change the face of Eagle forever. We vote "No" to annexing Avimor into Eagle.	9/2/2022 4:33 PM
