29	Unknown	2/12/2023 12:08 PM
30	They won't.	2/9/2023 12:26 PM
31	Ada county to manage	2/7/2023 4:38 PM
32	If Avimor is made apart of eagle they should All pay special annexation taxes. Now and on going plus every new building should have extra fees to cover roads and schools and everything else they require. No existing business or citizen should be taxed or be charged a single penny for these areas	2/5/2023 2:40 PM
33	That is a really good question. What does the City say?	2/3/2023 5:56 PM
34	Probably have increase resources and funding thru taxes to do it.	2/3/2023 11:12 AM
35	exactly!	2/2/2023 9:42 PM
36	Obviously the city managers have a conflicted approach. They cannot manage 2,200 acres but can manage 18,179? I think the real issue here is the influence campaign donations from the developer and owners made to the mayor and council.	2/2/2023 2:14 PM
37	They won't. At least not without a huge increase in funds.	2/2/2023 11:42 AM
38	Exactly, and the current city leadership probably would want to increase city taxes to make up for the shortfall. No to Avimor	2/2/2023 10:07 AM
39	This is one of the many reasons I am against this annexation. Start thinking of the residents of this lovely town instead of the big developers, please.	2/2/2023 10:05 AM
40	They won't be able to manage Avimor.	2/2/2023 9:33 AM
41	Excellent question	2/2/2023 7:43 AM
42	They can't	2/2/2023 6:50 AM
43	HA!	2/2/2023 12:11 AM
44	They won't. If they can't handle what they currently have, how could the handle 10 times the amount.	2/1/2023 9:24 PM
45	I ride bikes in the open space above Avamor now and have come across hunters. It was pretty far from civilization, but with increased biking, hiking etc, in the hills, running into hunters can be a bit scary.	2/1/2023 9:24 PM
46	very poorly - thus not at all	2/1/2023 9:01 PM
47	It won't.	2/1/2023 9:00 PM
48	Avimor does come with more taxes for the City and more City staff are planned per the economic study.	2/1/2023 8:58 PM
49	They won't	2/1/2023 8:56 PM
50	From what I know at this time nothing has been confirmed	2/1/2023 7:08 PM
51	they won't. Infrastructure in Eagle is already way behind the growth and that includes city staffing. It will take 10 years to catch up to what is currently under construction/finished in Eagle now, so what's happening and Spring Valley and Avimor would just contribute more to the chaos and thin service.	2/1/2023 11:33 AM
52	They won't it will just be a major burden on all of Eagle and its resources. Avimor should pool its money together and get its own resources as eagle has done.	1/31/2023 9:21 PM
53	Exactly! Not doable!	1/31/2023 4:12 PM
54	They won't!!	1/31/2023 2:47 PM
55	Bottomline, it can NOT do either one!!!	1/31/2023 2:27 PM
56	This survey is heavily bias, and should be removed, and re-written by an unbiased party. This is all "guiding the reader/respondent" into coming to your desired outcome.	1/31/2023 1:01 PM

58	They won't	1/31/2023 12:29 PM
59	Can't do it!	1/31/2023 11:38 AM
60	Exactly!	1/31/2023 11:12 AM
61	They wont, that's the problem	1/31/2023 8:40 AM
62	You should probably ask the City. I would assume Avimor will generate tax revenue to cover the management of that land while BLM land does not.	1/31/2023 7:39 AM
63	Clearly they won't manage the activities in those areas and will lay the blame on BLM.	1/31/2023 6:32 AM
64	Obviously they can't. It has been very clear from the beginning that fire, police and other devices are lacking to support the Avimor development.	1/30/2023 11:16 PM
65	It can't	1/30/2023 9:53 PM
66	We won't.	1/30/2023 7:54 PM
67	Not very well. That is why we don't want them to be annexed.	1/30/2023 4:27 PM
68	Payment from BLM or have BIM managed it but to Eagle standards	1/30/2023 3:59 PM
69	They won't be able to manage it.	1/30/2023 12:54 PM
70	Excellent question! And if the city annexes Avimor, it seems that the Eagle Fire District will be responsible for fires in the entire area. Avimor has done some good work to make the developed portions of their land fire-wise, but that is primarily geared toward building materials and landscaping around structures. My observation is that there are still thousands of acres of highly flammable cheatgrass and sagebrush in those open spaces that will burn. Who will be responsible for the cost of those fires?	1/30/2023 2:30 AM
71	I'm confident the City of Eagle does not have the resources to manage activity one Avimor's 18,179 acres.	1/29/2023 3:01 PM
72	Good question	1/29/2023 2:40 PM
73	It won't be possible without more tax money and resources	1/29/2023 9:33 AM
74	Let's hope this doesn't happen!	1/28/2023 9:37 PM
75	Eagle should manage Avimor. They should stay separate.	1/28/2023 9:12 PM
76	Poorly, at best!	1/28/2023 8:38 PM
77	Poorly, therefore there should not be annexation.	1/28/2023 8:19 PM
78	good question. Avamore should not be in Eagle.	1/28/2023 7:31 PM
79	They won't!	1/28/2023 5:31 PM
30	We won't have that problem if Eagle doesn't annex Avimor.	1/28/2023 5:30 PM
81	It won't. The council is failing the long term residents. And it shows. I worked one of the recall booths and the important point our council chooses to ignore is that they represent ALL citizens. Not just those they agree with. The peeps who signed in my presence were ALL people I had not seen in years and were all long time (longer than the current council members) residents of Eagle.	1/28/2023 3:33 PM
82	They won't and it will be a disaster at some point	1/28/2023 2:31 PM
33	Good question.	1/28/2023 2:19 PM
84	They won't be able to. It will only happen at the expense of taxpayers when hundreds of thousands of dollars are spent to bring on people, services, gadgets; whatever's needed to do the job. Get rid of this mayor and council before they destroy Eagle. There will be no coming back if annexation happens.	1/28/2023 1:28 PM
85	Eagle has no business managing activity on that many acres. It will bring us a burden in higher taxes and out of control government.	1/28/2023 10:56 AM

87	No idea.	1/27/2023 8:11 PM
88	Project planning should be halted as budget type issues are resolved to ensure compliance with Eagle City standards. The Harris Ranch development largely followed this approach to everyone's benefit.	1/27/2023 7:37 PM
89	They will make their own rules	1/27/2023 5:39 PM
90	Good question. They don't nor should we want them to. Public land need to remain public and managed by the respective agencies	1/27/2023 5:35 PM
91	you ask the mayor that question because he will bury the city in debt	1/27/2023 4:30 PM
92	Eagle will not be able to effectively manage Avimor and Avimor doesn't want us to manage them.	1/27/2023 4:09 PM
93	No idea.	1/27/2023 3:24 PM
94	Fair question.	1/27/2023 2:44 PM
95	Clearly it won't adequately manage any additional property. The City of Eagle has been mismanaged for the past 20 years. When I moved here in 2000 it was a wonderful place to live. Ever since the city government abandoned its "rurban" plan and decided to allow high-density housing in areas earlier designated for 2 or 5 acres the city has degenerated into a less desirable place to live. Unless you're an ultra-conservative political refugee from southern California, who have staged a political takeover of Eagle city government. Very sad.	1/27/2023 1:54 PM
96	excellent point-eagle city won't do anything	1/27/2023 1:32 PM
97	It can't	1/27/2023 1:16 PM
98	Good question, answer the city won't manage it correctly.	1/27/2023 1:06 PM
99	By annexing them we will acquire new resources. If they are not annexed that will be at our back door and we will have absolutely no control.	1/27/2023 12:42 PM
100	The city will not be able to effectively manage Avimor.	1/27/2023 12:42 PM
101	My question is who is going to manage the water and sewer systems and to ensure that these can handle the growth if Avimor is annexed.	1/27/2023 12:36 PM
102	Eagle will not be able to manage it. They rely on Ada County now for their police force, and the roadway infrastructure. With the County and Eagle not seeing eye to eye, it is a loosing situation for the residents of Eagle.	1/27/2023 12:35 PM
103	It won't.	1/27/2023 12:19 PM
104	Good question. I think the mayor is being very hypocritical.	1/27/2023 12:18 PM
105	This is a red herring. There will be additional taxes/incentives and partnerships that will aid in the management of the additional acreage.	1/27/2023 12:12 PM
106	Agree	1/27/2023 12:11 PM
107	No	1/27/2023 12:10 PM
108	Need to hire more increasing the burden on existing residents	1/27/2023 11:52 AM
109	Don't care	1/27/2023 11:50 AM
110	Agreed!! Plus little eagle can't handle the current traffic load	1/27/2023 11:50 AM
111	They won't.	1/27/2023 11:29 AM
112	Not well!	1/27/2023 11:27 AM
113	Good question?	1/27/2023 11:26 AM
114	They will not be able to do that if Avimor is allowed under their current proposal to the City of Eagle.	1/27/2023 11:21 AM

116	It won't be able to do so.	1/27/2023 11:10 AM
117	Additional Taxes, municipal bonds, bankruptcy, forego rights to the area.	1/27/2023 11:10 AM
118	excellent question with no satisfactory answers to date	1/27/2023 11:09 AM
119	No idea	1/27/2023 11:08 AM
120	Good question!	1/27/2023 11:06 AM
121	That would be up to Avimor - it should be it's own town.	1/27/2023 11:01 AM
122	Good question. They will not.	1/27/2023 10:55 AM
123	Once the shooting range on Willow Creek is built, the City of Eagle will restrict all shooting so that people are forced to pay to go to the shooting range	1/27/2023 4:09 AM
124	Add resources. Cities grow. Avimor pays fees.	1/26/2023 11:51 PM
125	They won't, or at least not effectively	1/26/2023 6:32 AM
126	They shouldn't. The applicant should in coordination with the city.	1/26/2023 12:41 AM
127	If they can't manage shooting on BLM land why should I expect them to be able to operate and manage a firing range in Spring Valley?	1/25/2023 8:53 PM
128	Unknown	1/25/2023 8:10 PM
129	They can not	1/25/2023 6:11 PM
130	Good point. More than likely the wouldn't.	1/25/2023 5:52 PM
131	It won't.	1/25/2023 4:47 PM
132	by a shoe string	1/25/2023 4:26 PM
133	BLM is capable of managing the property. If they need our input, we are capable of working with them.	1/25/2023 3:35 PM
134	I have no idea, but if one applies to Eagle's resources, then both apply since BLM land was already annexed into Eagle's city limits, and that makes the mayor's argument "removing the city's obligation to manage shooting on BLM land" moot.	1/25/2023 3:03 PM
135	Good question, Answer is, they won't	1/25/2023 12:09 PM
136	They do a great job on the bike park I think it will be just fine	1/25/2023 10:15 AM
137	Avimor still owns the property. They will manage it themselves.	1/25/2023 8:43 AM
138	Eagle would have to add services to manage it.	1/25/2023 7:36 AM
139	Services will need to added to manage activity. The gun range will also be used.	1/25/2023 7:03 AM
140	No clue. This seems foolhardy.	1/24/2023 7:32 PM
141	Avimor is private land.	1/24/2023 7:09 PM
142	Jointly with the association.	1/24/2023 6:36 PM
143	The City of Eagle is headed toward bankruptcy. I expect that because of the mayor and city council tripling the budget many services will be cut just like in the downturn of 2008. Avimor will do what they want, and Eagle won't enforce anything. This whole mess is heading to the 2nd District court and beyond.	1/24/2023 5:27 PM
