1	We need a change at mayor	8/26/2023 7:10 PM
2	Questions are too binary. Need some middle ground.	8/26/2023 12:56 PM
3	Great survey. Major changes need to be made so we can make Eagle great again. Thanks for all you do for Eagle.	8/26/2023 12:24 AM
4	I am disappointed with current and past City of Eagle leadership, regardless of party affiliation. Eagle leadership does not listen to constituents.	8/25/2023 9:27 PM
5	I don't know the folks running for mayor, can't decide until I hear their ideas, Maybe have candidates have a booth at the farmers market so people can talk to them.	8/25/2023 11:52 AM
6	It has been disheartening to see the rapid expansion at the cost of lifestyle in Eagle and beyond. It is truly mind boggling to see the development along Floating Feather and Beacon Light all the way to Middleton Rd. with virtually NO infrastructure improvements. What used to be a great, safe bike ride is no longer feasible due to the lack of foresite and planning (greed?) of not only the current Eagle and Star communities, but the past also. We all chose to move to the area for a lifestyle, and that quality lifestyle has been lost to the greed of current and past administrations. And, the water company sale was so horribly duplicitous. It ruined the quality/taste of our water and has turned a natural resource over to a foreign entity, which should never be the case.	8/23/2023 11:37 PM
7	Thank you for all you are doing!!!!	8/23/2023 10:30 AM
8	I would love to! I just don't have the money or mega rich developers to fund my campaign. 5th generation idahoan here... we need more representation from long time Idahoans.	8/23/2023 8:50 AM
9	Our way of life was much better over 20 years ago. I am on a well , I am very concerned about how malignant development will adversely impact our ground water supply.	8/22/2023 3:19 PM
10	Foundation is the key, we are growing too fast without a stable law enforcement commitment. Mayor Pierce is a great guy however I feel his direction is growth over safety. The country as well as many states and cities have been caught with their pants down with the current surge in crime. We need to stay ahead of the criminals. Proactive not reactive policing. I believe Mr Pike is the only one that understands that.	8/21/2023 4:05 PM
11	Terrific survey--this should be done more frequently.	8/21/2023 2:55 PM
12	Didn't answer some questions because I don't know the facts of the matters for City spending.	8/21/2023 12:43 PM
13	the current mayor and council members need to go	8/21/2023 12:16 PM
14	This is honestly an insult to surveys. Not to mention all of your questions are biased towards a specific answer. Not to mention the group you are sending this to. Doing surveys in echo chambers are worthless, as is the information derived from them.	8/20/2023 2:59 PM
15	The existing council has pretty much gone along with most of the bad decisions that the major has implemented. I will not vote for any of them in the next election.	8/20/2023 12:18 PM
16	This is a highly skewed survey with no support on any of the questions.	8/20/2023 12:04 PM
17	Mayor Pierce. It's just about rapid growth and tax revenue and concern for following comprehensive plans that showed transition from downtown city to farm and ranch community so important to our history. She has gone to bed with developers. No concern at all about our water table for people who have their own wells Very little foresight in regards to quality of life for the existing residence and future residence Billion too many little boxes right on top of each other not a good idea.	8/20/2023 8:31 AM
18	Will need to do more research on candidates. But WILL NOT vote to reelect the current Mayor.	8/19/2023 8:23 PM

## SOS Eagle Satisfaction & Candidate Poll

	What a disgrace he's been.	
19	If I was retired, I WOULD run for Mayor, but currently have a teenager who needs me earning big money to pay for her upcoming college.	8/19/2023 7:34 PM
20	As far as candidates choosing to run for office, I would need to know more about their platforms. We desperately need to stop the echo chamber the City Council has become. At a recent townhall, Melissa did not say a word & Helen only spoke about a few senior center programs?? Both women should have given their views on public safety vs sitting there mute while the "boys" debated it. So far the declared candidates for council are just more of the same. Jason has removed anyone, even in volunteer positions, that do not agree with him. Its very concerning! I called ITD & ACHD & there is currently no plan to provide a bike lane route to that huge sports park! After the tragic death earlier this year of the young man biking to the Eagle bike park, I read that they are trying to fast track bike access to the bike park ( Boise zHunter Homes) from Dry Creek/Avimor? Why in the world isn't our biggest & most expensive park for kids being planned with a way for our kids to get to it safely on their bikes?Especially since it will be at our furthest west side border?? Just outrageous!	8/19/2023 7:20 PM
21	It be helpful if you included a third option in your survey of "not sure" or "no opinion".	8/19/2023 6:33 PM
22	Don't know the people running. Please publish some info. Thanks	8/19/2023 3:24 PM
23	only because of my age	8/19/2023 8:30 AM
24	Stop spending money on legal fees on cases that will never be won.	8/19/2023 7:41 AM
25	I don't know enough to comment on a bunch of your questions. Definitely disappointed with Price in our leadership role.	8/19/2023 7:41 AM
26	Totally disappointed in the direction Eagle is heading. Too many greedy developers etc. A huge no to the shooting range.	8/19/2023 7:32 AM
27	Jason Pierce needs to move on	8/19/2023 5:43 AM
28	The City of Eagle has always been a quiet and serene suburb of Boise. It has turned into nothing short of California with its disgusting inhabitants and their disgusting ways.	8/19/2023 4:15 AM
29	City government ignores the wishes of Eagle residents. Eagle's quality of life is suffering.	8/18/2023 11:18 PM
30	Uncertain as to the requirements for being a mayor or what involved in a campaign	8/18/2023 10:59 PM
31	The problem I see in the mayor's race is if you get more than one candidate to run against the incumbent mayor, you just confuse the voters. So then the candidate with the best name recognition will win. It's sad but I bet the current mayor wins just because we get a people running.	8/18/2023 9:52 PM
32	Particularly disturbed about annexation of Avimor despite what appears to majority opposition to it in the Eagle populace. Further annexations will surely follow if this is allowed, in order to create contiguity. No benefit, only risks to current residents of Eagle. Mayor and City Council have a clear agenda...they are not responsive to the community consensus.	8/18/2023 9:28 PM
33	Thank you for all your efforts!	8/18/2023 9:19 PM
34	Eagle is done, ruined. It should be merged with Meridian or Boise. Wasted by the likes of Jason Pierce and his kind.	8/18/2023 8:57 AM
35	For the questions I left blank, I did not know the person or issue	8/18/2023 7:53 AM
36	MayorPierce has done a great job and shows strong leadership skills and is open and honest. Unlike others I have heard he has never shown anger or spoken badly about other people including those have attacked him. Strong ethical person,	8/17/2023 6:08 PM
37	We must make changes to give Eagle a better direction!	8/17/2023 1:37 PM
38	None	8/17/2023 1:09 PM
39	Thank you for your efforts	8/17/2023 1:03 PM
40	Current mayor is a disaster.	8/17/2023 12:53 PM
41	I am totally dissatisfied with most everything that Mayor Pearce has done.	8/16/2023 1:01 PM

## SOS Eagle Satisfaction & Candidate Poll

42	Please keep up the good work. Eagle is going in a very bad direction	8/16/2023 11:50 AM
43	I don't always agree with SOS, progress is here and must be managed. Carefully choose your battles, you will not win them all	8/16/2023 7:29 AM
44	I need to do more research on the potential candidates to make a decision.	8/15/2023 10:28 PM
45	The mayor is a disgrace.	8/15/2023 10:13 AM
46	Eagle is going in the wrong direction with the current city council and mayor. We need to save our city otherwise we're gonna be taxed to death.	8/14/2023 8:12 PM
47	Eagle needs to return to its core values. Control growth with care. Hold developers to city code and guidelines. Listen to citizens, respect private property rights and respond accordingly.	8/14/2023 7:32 AM
48	Just as a whole, I am very dismayed how eagle has been run. Very dissapoint	8/13/2023 10:55 AM
49	Nice propaganda SOS.	8/13/2023 10:28 AM
50	The Avimor decision sent a clear message that this Mayor and City Council will act in self interest regardless of constituent sentiment.	8/13/2023 8:42 AM
51	Thanks For Asking!!!!	8/12/2023 4:10 PM
52	I did not comment on all names as I am unfamiliar with those people. So not anything about them, just my need to educate myself.	8/12/2023 3:35 PM
53	Try improving our road infrastructure before handing out building permits like candy. Can't drive anywhere anymore without packing a days lunch. How about roundabouts or is that too complicated for the average Californian to handle? Sure would free up traffic on the country roads. Oh wait we don't have country roads anymore, it's just one big fucking city now.	8/12/2023 7:54 AM
54	Bring the fair guys back with amenities A city this size deserves	8/12/2023 6:51 AM
55	Could you send us more info on the candidates?	8/12/2023 6:48 AM
56	Not sure at this time	8/12/2023 6:47 AM
57	Thank you for keeping us up to date with the goings on in Eagle. I hope that suitable candidates will step up to run for city council & mayor.	8/11/2023 8:05 PM
58	I'd like to see someone a little more balanced, in terms of growth of downtown Eagle, as a destination for residents and visitors, but preserving as much of our remaining open space (foothills, riverfront) as possible.	8/11/2023 7:48 PM
59	I want to see Pierce voted out as Mayor. He is Avimor's poodle. I want to see any city council member who voted for Avimor OUT.	8/11/2023 7:44 PM
60	Unfortunately I am not knowledgeable on the individuals included in the survey so I left those blank.	8/11/2023 7:35 PM
61	What happen to the parking lot in Two Rivers? Was bridge to no where suppose to have parking?	8/11/2023 7:34 PM
62	I am not eligible to run but I am one of the "non city" neighbors to the shooting park. They choose things to delivers exclude anyone who might oppose their mafia	8/11/2023 7:28 PM
63	I prefer limited growth to the apparent rapid growth this council prefers.	8/11/2023 7:16 PM
64	Unfortunately, I am not familiar with the candidates or their platforms. I do not know who to believe anymore. When Mr. Ridgeway was mayor, people were unhappy with him, so who do you believe? We need more people who care about our community rather than money or changing the architecture of the downtown area. People moved here for the small town feel.	8/11/2023 7:08 PM
65	Former Eagle Arts Commissioner	8/11/2023 2:48 PM
66	Utter corruption! Mayor Pierce and his cronies need to be held accountable!	8/11/2023 2:06 PM
67	Save us!!	8/11/2023 8:48 AM
68	We have lost our small town charm. We have allowed to much building without bringing in new business. I moved here 18 years ago and the changes are not good. More houses no new	8/11/2023 7:09 AM

business. Try building up the city of Eagle and employee people here instead of other cities!

69	Absolutely no way would I consider participating in city council or mayoral. Too many idiots in Eagle. Mostly from SoCal. Current philosophy of our society, "It's all about me".	8/11/2023 6:58 AM
70	Time to sweep the entire current trash into the trash bin and take Eagle back says this 30-year resident.	8/10/2023 11:23 PM
71	Not with all the turmoil this current administration has created.	8/10/2023 2:44 PM
72	As a long time resident of Eagle I'm very disappointed where the city is going and the mayor & CC! They are ruining Eagle! 😞	8/10/2023 2:44 PM
73	I may lack the qualifications necessary, but am so disappointed with our current leadership that I might consider City Council member position. However, I travel frequently and that also poses a problem.	8/9/2023 3:12 PM
74	The level of "ramrod" decision-making by the mayor and the City Council is very discouraging. "Ramrod" meaning- the council already has their mind made up on matters- and the heck with what the community wants or what the community expresses about proposed projects, annexations, etc	8/9/2023 1:02 PM
75	I do not have anything good to say. The City of Eagle has been ruined by people like the current mayor and his henchmen. I am more than disappointed in not only the people but the entire system. It's a waste of time and money, I am tired of seeing only the bad and not the good.	8/9/2023 12:23 PM
76	I'd love to be a candidate, but I do not live in Eagle proper so I can't. I also would like to see some new blood in the candidate pool. It would be great to find an Eagle 'born and raised' candidate. Probably a unicorn at this stage.	8/9/2023 8:46 AM
77	Thank you for asking all of this. I would like more information about the candidates before giving opinions, were I the more average Eagle citizen. Can you provide that?	8/8/2023 8:51 PM
